2nd Annual

# CEM23

Christine Englehardt Memorial  
Paying it Forward

## Community Fair October 15th 2023

Please join us to honor and celebrate Christine Englehardt, who was tragically killed while vacationing in Miami, FL in 2021.

This year we are thrilled to work with Neighborhood Outreach Foundation (NOF). NOF's mission is to offer community members assistance to those in need, providing aid when other support systems have faltered or failed.

Proudly managed by

The Englehardt Family is establishing the Annual "Chris' 23 Envisions - Pay it Forward" event to maintain Chris' legacy through charitable contributions to organizations impacting those less fortunate.

The number "23" was a very significant number throughout Chris' life, and we are honored to continue her legacy by supporting '23' unique recipients in the years to come.
